**RESPONSE TO OFFICE ACTION**

MS Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

This is in response to an Office Action herein mailed 13 October 2006, time for response to which was set to expire 13 November 2006. This Office Action requested clarification of the components listed for formulation 122699-6 in Table 2 on page 21, which was the formulation elected by applicants in the response to a restriction requirement. Applicants appreciate the return phone message from Examiner Meller explaining that this is a request for a walkthrough of the nature of the components listed for this formulation in Table 2. This is provided as follows:

Element (a) of claim 19, a saccharide, esterified to at least one monounsaturated C<sub>16</sub>-C<sub>20</sub> fatty acid, is the sugar alcohol ester Toximul SEE-340. This is set forth on page 21 at lines 10-11. Aromatic 100 listed in Table 2 is simply a solvent for this ingredient as noted in that section.

Element (b), the anionic surfactant blend is 1910 as described, for example, on page 13 at lines 22-24 and on page 20 at lines 9-10.

Element (c), the microemulsion surfactant blend, is H306A as noted on page 20 at lines 5-8 and page 12 at lines 24-28.

The optional Element (d) - ethoxylated linear alcohols of C<sub>8</sub>-C<sub>11</sub> in this composition comprises 91-2.5 and 1-7 as described on page 19 beginning at line 29 through page 20, line 5.

Applicants believe this may clarify the election of species provided in the previous response.

Should there be any further clarification required, a telephone call to the undersigned is respectfully requested.

In the unlikely event that the transmittal form is separated from this document and the Patent Office determines that an extension and/or other relief is required, Applicant petitions for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing **docket no. 437472000210**. However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Dated: November 2, 2006

Respectfully submitted,

By
